### AFL-CIO To Demand Answer To Charges Made On Hoffa

By HERBERT FOSTER and JOHN A. GOLDSTEIN  
United Press Staff Correspondents

WASHINGTON — The AFL-CIO will demand that the Teamsters Union answer charges made by the Senate Rackets Committee against Teamster Vice President James R. Hoffa, informed sources said today.

The committee, adjourning in disbelieving exasperation, left Hoffa alone with his dim memories and bright chances of becoming president of the nation's biggest union.

The committee discharged Hoffa Friday, handing him only a subpoena for his personal records and telling him to come back later for more questions. But informed sources believed he would not be recalled until after the union's convention Sept. 30, when Hoffa is expected to succeed Dave Beck, who is retiring as president in the wake of committee charges that he misused more than \$300,000 of union funds.

Corruption Charges Readied

Before the convention, the Teamsters are in trouble with the big labor federation. The AFL-CIO Ethical Practices Committee meets Sept. 5-8 to consider charges that the Teamsters are dominated by corrupt influences.

At that time, labor sources said, it will demand that the Teamsters with the 48-point bill of particulars compiled by the Senate committee, accusing Hoffa of associating with — and using — gangsters, goons and gunmen in his rise to power and control in "questionable" financial deals.

On Sept. 24-25 — still prior to the Teamster convention — the AFL-CIO Executive Council will convene in special session in New York to act on the report of its Ethical Practices Committee. The council has power to order the Teamsters to clean house or face expulsion from the AFL-CIO.

The Teamsters' own executive board — with Hoffa a member — is scheduled to meet Monday in Los Angeles to consider a reply to charges already brought by the ethical practices group.

McClellan Holds Questioning

Senate Committee Chairman John L. McClellan (D-Ark.) halted the questioning of Hoffa in its fourth day, saying it had proceeded "to the point where the witness has no memory" and it would be "a waste of time" to continue.

Hoffa's answers had faded to a theme of "I don't remember" as the questions grew tougher — questions about his relations with his friend Johnny Dio, convicted New York labor racketeer; about charges that he allied with Dio to set up hoodlum-staffed phony locals to seize control of the Teamsters in New York; about charges of a long-continued association with gangsters, extortionists and goons.

He hit some sort of peak when asked whether he fitted witnesses with miniature wire recorders so he could hear their testimony to a Detroit grand jury.

"To the best of my recollection I just recall on my memory I cannot remember," said Hoffa.

### Howard Ollila Has Program At Rotary

Howard Ollila, attendance chairman of the Murray Rotary Club had charge of the program on Thursday at noon.

Ollila built the program around past attendance performance and how it might be bettered.

Phillip D. Mitchell, member of the attendance committee, presented pins to those Rotarians who had been playing inside a den made of hay bales, were not discovered until after the blaze had leveled the barn and adjoining milk shed. Firemen first realized the children might have been trapped when the scared wreckage of their bicycles was found in the debris.

### Three Boys Are Burned To Death

JOHNSTOWN, Pa. — Three boys burned to death in a flaming barn Friday while the grandmother of one saved cattle, not realizing the children were inside.

Burned beyond recognition in the fire at nearby Menoher Heights, Somerset County, were John D. Pebley Jr., 14, his brother, Donald, 10, and their cousin Peter Nitch Jr., 14. The Pebleys, who lived on a farm adjoining the Nitch property, were visiting their cousins.

The bodies of the boys, who had been playing inside a den made of hay bales, were not discovered until after the blaze had leveled the barn and adjoining milk shed. Firemen first realized the children might have been trapped when the scared wreckage of their bicycles was found in the debris.

### New Edsel Goes On Public Display

BOSTON — The Edsel, billed as the "newest thing on wheels," went on public display here Friday night for the first time.

The new wrap-around buggy, designed to compete in the middle price field with Buick, DeSoto and Oldsmobile, features such innovations as push-button gear selection in the middle of the steering wheel.

But the most distinctive feature is the Edsel front. The new car, built by Ford and named for a son of the firm's founder, has a front to end all tail fins.

The theme is "vertical." The eye-catcher is an up-and-down center-piece, a little reminiscent of the old Ford, or maybe of the jet fighter plane's cowling. Flaring from each side of the flat-topped "heart" are horizontal grilles.

How much? Still a secret until the new car goes on sale Sept. 4, but in the \$2800 to \$4400 range.

How fast? Edsel publicity men will say only that she's got up to 350 horsepower, and every engine is a V8.

The Edsel is the 20th separate

### Miss Waters Observes 89th Birthday

Miss Alice Waters, missionary to China for 43 years, will observe her 89th birthday on Monday, August 26.

Miss Waters is still active, although confined largely to her home on North Sixth Street.

She went to China rather early in life and remained there for 43 years preaching the Gospel to the Chinese people and ministering to their needs. She returned to the United States at intervals to further prepare herself for the dedicated work to which she had attached herself.

Miss Waters is the daughter of the late John J. and Susan Waters of the New Concord community. She received her call to missionary work at the age of eleven.

She entered the Murray Institute and graduated at the age of 19. She attended Scarritt College when it was located at Kansas City, Missouri. It is now in Nashville, Tenn. She taught near Wadesboro and near Fulton under the Board of Foreign Missions of the Methodist Church, she sailed for China.

She arrived in China on October 18, 1892 and started a work which was to continue for the next 43 years.

Miss Waters retired from her work at the age of 65 making the remark that it was painful to leave the country to which she had become endeared.

All of the friends of Miss Alice Waters wish for her a "Happy Birthday" on her 89th birthday.

### Gary Hargis Is Contest Winner

Gary Hargis, son of Mr. and Mrs. Fred Hargis, competed in the District 4-H Tractor Driving Contest held at Princeton on August 21.

The contest consisted of a written examination and driving a tractor hooked to a two-wheeled implement through a course set up, and then backing the implement into an area representing a shed.

Gary ranked first in both phases of the contest and as a result will represent Calloway County at the Kentucky State Fair at Louisville. He will compete for the State Championship on September 10.

Young Hargis is a member of the Murray High School 4-H Club and was accompanied to the contest by the Assistant County Agent, John Vaughan.

### Speedy Passage Of Bill Is Expected By Last Of Week

WASHINGTON — Congress today held the key to adjournment — a bipartisan agreement to a compromise civil rights bill.

Speedy passage of the measure was predicted by all four top congressional leaders. Senate Republican Leader William F. Knowland and House GOP Leader Joseph Martin Jr. said President Eisenhower would sign the bill.

Senate Democratic Leader Lyndon B. Johnson said he expected the 1957 session of the 85th Congress now would be able to adjourn by the end of next week.

Though southerners opposed the compromise bill with its modified jury trial amendment, they were not expected to try and stop it with a filibuster for fear of having to fight stiffer rights legislation next year.

The House Rules Committee, which for two weeks has bottled up the much rewritten bill, is expected to act Monday on the

### P-38 Crashes To Miss Airliner

PITTSBURGH, Aug. 24 — An old P-38 fighter plane, which had been converted for private use, crashed and burned Friday after a near-collision with a passenger airliner over Greater Pittsburgh Airport.

The two occupants of the World War II fighter, which the government doesn't recommend for use as a private plane, were killed. They were the pilot, Gilbert Mendoza, 30, Norwalk, Calif., and John L. MacPherson, 30, Pasadena, Calif., both employees of HiCom Aerial Surveys of Pasadena, Calif., owner of the plane.

The airliner, a Trans World Airlines Constellation with 48 persons aboard, made a routine landing.

The Constellation pilot, Capt. Arthur Sessi, said he noticed the

### Bodies Of Small Girls Are Found

DIXON, Ill. — A group of workmen found the bodies of three small sisters early today in a floodlighted, muddy quarry.

The girls, Nancy, 10, Theresa, 8, and Ruthie Guernsey, 9, had been missing since last Wednesday afternoon when they were seen playing at the rim of the 50-foot quarry.

A small army of workers had shoveled through the night against a maddening sea of mud, while floodlights pierced a heavy fog which shrouded the hilly timberland.

Police said there were no signs the girls had met foul play. All were found lying fully clothed under a massive tree, one of the many authorities had been hauling out of the clay mire since Friday night.

Sandal Starts Search

National Guardsmen, state police, deputies and hundreds of volunteers had trudged through the surrounding area Friday, when one of them "happened to kick up" a sandal belonging to one of the girls.

Digging operations began shortly afterwards, uncovering the other five shoes, the little girls' socks neatly tucked inside. Mr. and Mrs. John Guernsey, parents of the girls, identified the shoes as those of their daughters.

Dixon Police Commissioner Fred Hofmann doubted foul play but cited the possibility the girls may have been playing along the slope of the quarry, perhaps in a pocket, and were buried under a landslide. A nearby cement plant had been filling in the pit with tons of clay and sand the day of the disappearance.

Rain Hampers Workers

Hofmann said 75 to 85 workers manning hand shovels had been gnawing into the saucer-shaped pit, aided by two tractors and three cranes, but that torrential afternoon rains had increased their work a hundred-fold.

The little girls were seen playing near the lip of the quarry Wednesday by a shovel operator. Other workmen were around at the time, Hofmann said, which made the idea of foul play improbable.

He could offer no reason, however, why the sisters had removed their shoes, there being no ponds nearby in which they could go wading.

### Graham Rally To Be September 1

NEW YORK, Aug. 24 — Billy Graham's climactic "Heart of Times Square Rally" will be held as scheduled on Sept. 1, it was announced Friday night, but not quite in the heart of Times Square.

The rally, which will end a 16-week revival that has so far attracted 1,667,500 persons to hear the 38-year-old evangelist, was originally set for the center of the world-famous Times Square area at Broadway and 45th St.

Roger Hull, chairman of the Graham New York Crusade executive committee, said Friday night that the police department had withdrawn his earlier permission to hold the rally there and offered the committee the alternate of staging it at Broadway and 42nd St.

"We either had to cancel our Times Square rally plans or go ahead with another location," Hull said. Termining the police department decision a "disappointment," he said he believes that only about 50,000 to 100,000 persons will be able to hear Graham at the new location.

It has been estimated that as many as 850,000 persons have jammed into the center of the "crossroads of the world" in Times Square during New Year's Eve celebrations.

## A BIRLE THOUGHT FOR TODAY

I will lift up mine eyes to the hills, whence  
cometh my help. Psalm 121:1.

When Israel was taking possession of the Promis-  
ed Land their enemies thought their gods were of the  
hills. But the early psalmist said "My help cometh  
from the Lord that made heaven and earth. It is an  
amazing thing that the infinite who made and upholds  
the utmost stars knows us so intimately that the hairs  
of our head are numbered. He also guides and directs  
two hundred billion cells of our bodies.

## Sports Parade

By SUGAR RAY ROBINSON

World Middleweight Champion  
GREEN LAKE, N. Y. — I  
don't know why it is but the  
question I am asked most and  
the one most difficult to answer  
is:

"Will this be my last fight?"  
By this, of course, they mean  
my fight with Carmen Basilio  
in defense of my title at the  
Yankee Stadium on Monday, Sep-  
tember 23. They asked me the  
same question after every fight  
since I began my comeback in  
January of 1953.

I suppose when you've been  
fighting as long as I have, the  
question is inevitable. How to  
answer it is something else again.  
I tell people I'll cross that bridge  
when I come to it and they  
think I'm evading the issue.  
That's not it at all. How can  
a man tell what's inside of  
him? Who knows how he'll feel  
a couple of weeks from now?  
I realize this fight with Basilio  
is one of the biggest in my life  
from every angle, both prestige-  
wise and financially. All my  
physical and mental faculties are  
being concentrated on Basilio and  
Basilio only. I'm not thinking  
of anything past the night of  
September 23rd.

Not Taking It Lightly  
Last I delude anybody, I'm

## Dead in London

AN INQUEST was to be sched-

reached a capacity physically that  
the years attend to. What can  
be achieved in a training camp  
is strictly the sharpening of  
movements and reflexes. I'm not  
going to learn how to punch  
any harder than I do now nor  
can I change my style of fighting  
at this stage of my career.

There is, perhaps, the advantage  
I have over Basilio. He can't  
change his style, either, no matter  
how he tries. That's his and  
as such seems suited to my type  
of fighting. This is not a pre-  
diction of victory. I have never  
made one and never will.  
All I can safely say is that  
God willing, I hope to win. I  
feel, from what I know of Car-  
men, that he can be beaten.  
The rest is up to me and the  
good Lord. I have been extremely  
lucky so far.

## Billy Pierce Back In Winning Groove Just In Time To Help Sox Battle Yanks To Finish

Pierce Strikes Out Six And Becomes Major League's First Seventeen Game Winner

By FRED DOWD

United Press Sports Writer  
Billy Pierce is back in the  
winning groove today just in  
time to lead the Chicago White  
Sox' last-ditch stand against the  
New York Yankees.

The gritty little left hander,  
often a slow finisher, showed he  
still is in mid-season form. Fri-  
day-night when he first as a four-  
hitter that gave the White Sox  
a 4-1 triumph over the Boston  
Red Sox. Pierce, who held Ted  
Williams hitless in four tries,  
thus moved the White Sox to  
within 5 1/2 games of the Yankees.  
The last-ditch stand against the  
New York Yankees.

The figures are still over-  
whelmingly against the White  
Sox' chances of overtaking the  
Yankees, but the world champions  
have lost three out of four in  
the West and could be within  
striking range when they invade

### Dodgers Save Chances

The Brooklyn Dodgers, mean-  
while, just about saved their  
faint pennant hopes in the Na-  
tional League when they rallied  
for three runs in the ninth in-  
ning to top the Milwaukee Brav-  
es, 3-2. The Braves, however,  
retained their 6 1/2-game hold on  
first place when the Philadelphia  
Phillies scored a 3-2 decision  
over the St. Louis Cardinals. The  
Cincinnati Reds snapped a 10-  
game losing streak with a 6-0  
victory over the Pittsburgh Pir-  
ates and the New York Giants  
beat the Chicago Cubs, 3-2, in  
16 innings.

Pierce struck out six as he  
became the majors' first 17-game  
winner of the year and yielded  
Boston's run in the fourth inning  
when Jackie Jensen walloped his  
16th homer. The 0-for-4 hor-  
n-coller cut Williams' average to  
.382 but Mickey Mantle also went  
hitless and dropped to .373.

Ex-Yankee Gene Woodling  
doubled for his fourth hit of the  
night and drove in Bobby Avila  
with the winning run for the  
Indians after the Yankees tied  
the score with a three-run rally  
in the ninth. Dick Tomaneck  
received credit for the victory but  
it was Mike Garcia who struck  
out Mantle to end the Yankees'  
ninth-inning rally. Bob Grim  
was the loser.

Al Kaline and Charley Max-  
well hammered three-run home-  
runs to lead the Detroit Tigers  
to a 13-4 rout of the Washington  
Senators and Connie Johnson  
pitched a three-hitter as the  
Baltimore Orioles downed the  
Kansas City Athletics, 2-1.  
Gino Cimoli singled with two  
out in the ninth to climax Brook-  
lyn's rally. Don McMahon was  
the loser in relief of Gene Can-  
ley. Sandy Amoros' double, a  
single by Charley Neal, a walk  
to Carl Furillo and McMahon's  
throwing error set the stage for  
Cimoli. Hank Aaron drove in  
both Milwaukee runs with a  
homer and a triple.

Repulski "Rips" Cards  
Harvey Haddix struck out seven  
and pitched a seven-hitter for  
his 10th win as the Phillies  
"ripped" the Cardinals on Rip  
Repulski's three runs batted in.

## Red Grip

PRO-ARABY forces in the Syrian  
army have tightened their grip  
on Syria by gaining control of  
the Syrian police force. Police  
officers in Damascus were put  
under control of officers with  
Russian sympathies after Red  
factions squeezed out right  
wing officers in a general  
"purge." Many officers fled to  
Beirut. Ailing President Shukri  
Al Kuwaty was in a hospital  
in Alexandria for treatment  
following a surprise plane hop  
to Egypt to confer with Egypt's  
President Gamal Abdel Nasser.
